Entrepreneurship Activity on Diwali Mela

The Diwali Fest was celebrated with great enthusiasm and joy in our college (PMCCE) on 17th October 2025 creating a festive atmosphere all around. The event was organized by the students under the guidance of the faculty members.

One of the main attractions of the celebration was the student stalls. Students set up a variety of stalls offering delicious food, handmade crafts, diyas, decorative items, and games. The stalls reflected creativity, teamwork, and entrepreneurial skills among the students. The fest provided them with an excellent platform to showcase their talents and ideas.

The Diwali Fest brought together students and teachers in the spirit of joy, unity, and festivity. It not only celebrated the festival of lights but also promoted teamwork, creativity, and cultural awareness among students.
